15 Kid-Friendly Recipes with Hidden Immunity Boosters

By Happy Tiffin System | For Indian Moms

How This Guide Works: Every recipe here tastes like a regular milkshake, juice, or soup to your child. The immunity-boosting ingredients are completely hidden in taste and color. Each recipe takes under 10 minutes to make.

SECTION 1: IMMUNITY BOOSTER DRINKS (10 Recipes)

■ Drink #1 — "Chocolate Strength Shake"

Tastes like: Chocolate milkshake

Hidden boosters: Turmeric + Ashwagandha

Ingredients: 1 glass cold milk, 1 tbsp cocoa powder, 1 tsp honey/jaggery, ¼ tsp turmeric, ■ tsp ashwagandha powder, 2 dates

Method: Blend everything for 45 seconds. Serve chilled. Cocoa fully masks turmeric and ashwagandha.

■ **Immunity benefit:** Turmeric = anti-inflammatory. Ashwagandha = stress immunity + better sleep for kids.

■ Drink #2 — "Yellow Banana Smoothie"

Tastes like: Banana milkshake

Hidden boosters: Ginger + Turmeric

Ingredients: 1 ripe banana, 1 glass milk, ½ tsp grated ginger, ¼ tsp turmeric, 1 tsp honey

Method: Blend until completely smooth. Banana sweetness hides ginger heat completely.

■ **Immunity benefit:** Ginger = powerful anti-viral + anti-bacterial. Best during cold & flu season.

■ Drink #3 — "Pink Power Shake"

Tastes like: Strawberry shake

Hidden boosters: Beetroot + Amla (Vitamin C)

Ingredients: ½ cup strawberries, ¼ small beetroot (boiled), 1 glass milk/yogurt, 1 tsp amla powder, 1 tsp honey

Method: Blend smooth. Strawberry + beetroot creates a fun pink color kids love.

■ **Immunity benefit:** Beetroot = iron + blood building. Amla = highest natural Vitamin C, builds immunity fast.

■ Drink #4 — "Mango Magic Lassi"

Tastes like: Sweet mango lassi

Hidden boosters: Tulsi + Saunf (fennel)

Ingredients: ½ cup mango pulp, ½ cup dahi, ½ glass milk, 3–4 fresh tulsi leaves, ½ tsp saunf powder

Method: Blend smooth. Serve chilled. Tulsi gets completely masked by mango flavor.

■ **Immunity benefit:** *Tulsi = natural antibiotic + fever protection. Saunf = digestion + reduces stomach infections.*

■ Drink #5 — "Orange Sunshine Juice"

Tastes like: Sweet orange juice

Hidden boosters: Carrot + Amla + Ginger

Ingredients: 2 oranges (juiced), 1 small carrot (juiced), ½ tsp amla powder, tiny pinch grated ginger, pinch black salt

Method: Juice or blend everything. Strain if preferred. Orange completely dominates the taste.

■ **Immunity benefit:** *Carrot = Vitamin A for eye + lung immunity. Orange + Amla = double Vitamin C punch.*

■ Drink #6 — "Chocolate Haldi Milk" (Upgraded Golden Milk)

Tastes like: Hot chocolate

Hidden boosters: Turmeric + Black pepper + Cinnamon

Ingredients: 1 glass warm milk, 1 tbsp cocoa powder, ½ tsp turmeric, pinch black pepper, ¼ tsp cinnamon, jaggery

Method: Warm milk, whisk in all ingredients. Cocoa completely hides turmeric color and taste.

■ **Immunity benefit:** *Black pepper makes turmeric 20x more effective. Scientifically one of the strongest immunity combos.*

■ Drink #7 — "Green Monster Shake" (Kids love the name!)

Tastes like: Sweet vanilla with fun green color

Hidden boosters: Spinach + Moringa

Ingredients: 1 ripe banana, 1 glass milk, 1 small handful spinach (3–4 leaves), ½ tsp moringa powder, 1 tsp honey

Method: Blend until very smooth. Banana sweetness and honey completely mask spinach and moringa.

■ **Immunity benefit:** *Moringa = one of world's most nutrient-dense plants. Spinach = iron + folate.*

■ Drink #8 — "Purple Grape Boost"

Tastes like: Grape juice

Hidden boosters: Jamun + Amla

Ingredients: ½ cup black grapes, 2 tbsp jamun pulp, 1 tsp amla powder, 1 tsp honey, ½ cup water

Method: Blend and strain. Dark color of grapes hides everything perfectly.

■ **Immunity benefit:** *Jamun = powerful antioxidant + blood sugar regulation. Excellent for overall immunity.*

■ Drink #9 — "Badam Power Milk"

Tastes like: Sweet almond milk

Hidden boosters: Saffron + Ashwagandha + Cardamom

Ingredients: 8–10 soaked almonds, 1 glass warm milk, 2–3 saffron strands, ■ tsp ashwagandha, pinch elaichi, jaggery

Method: Blend almonds with milk to paste. Add spices. Warm gently. Saffron gives golden color kids find cool.

■ *Immunity benefit: Almonds = brain + immunity. Ashwagandha = cortisol regulation. Saffron = mood + respiratory health.*

■ Drink #10 — "Nimbu-Adrak Cooler" (Summer Special)

Tastes like: Sweet lemonade

Hidden boosters: Ginger + Mint + Black salt

Ingredients: Juice of 2 lemons, 1 tsp ginger (strained juice only), 8–10 mint leaves, 1 tsp honey, 1 glass water, black salt

Method: Mix everything. Serve with ice. Ginger through strainer = zero texture, only lemon taste felt.

■ *Immunity benefit: Lemon = Vitamin C. Ginger = anti-viral. Mint = respiratory health. Perfect post-school recovery.*

SECTION 2: IMMUNITY BOOSTER SOUPS (5 Recipes)

■ Soup #1 — "Magic Tomato Soup"

Tastes like: Regular tomato soup (restaurant style)

Hidden boosters: Garlic + Ginger + Turmeric

Ingredients: 4 ripe tomatoes, 1 carrot, 2 garlic cloves, ½ inch ginger, ¼ tsp turmeric, salt, black pepper, butter, fresh cream

Method: Pressure cook everything for 2 whistles. Blend smooth. Strain. Season and serve with butter on top. Garlic and ginger fully mellow after cooking.

■ *Immunity benefit: Garlic = natural antibiotic (allicin). Carrot = lung immunity. Ginger = anti-viral.*

■ Soup #2 — "Yellow Dal Soup"

Tastes like: Mild, comforting dal (familiar Indian taste)

Hidden boosters: Turmeric + Garlic + Cumin

Ingredients: ½ cup moong dal, 1 small carrot (grated), 1 small lauki piece, ½ tsp turmeric, 1 garlic clove, 1 tsp ghee, jeera, salt

Method: Cook dal and veggies in pressure cooker. Blend partially for smooth texture. Temper with ghee and cumin.

■ *Immunity benefit: Moong dal = protein + zinc (key immunity mineral). Ghee = fat-soluble vitamin absorption.*

■ Soup #3 — "Orange Carrot Soup"

Tastes like: Sweet, mildly spiced soup

Hidden boosters: Ginger + Carrot + Sweet Potato

Ingredients: 3 large carrots, 1 small sweet potato (shakarkand), ½ inch ginger, 1 garlic clove, ½ tsp cumin, butter, cream, salt

Method: Boil vegetables until very soft. Blend until silky smooth. Add butter before serving. Natural sweetness of carrot + sweet potato hides ginger.

■ **Immunity benefit:** Sweet potato = Vitamin A (the immunity vitamin). Carrot = beta-carotene = respiratory health protection.

■ Soup #4 — "Green Pea & Mint Soup"

Tastes like: Sweet, bright green soup — kids find the color fun

Hidden boosters: Spinach + Moringa + Garlic

Ingredients: 1 cup green peas, 1 handful spinach, ½ tsp moringa powder (added OFF heat), 1 garlic clove, fresh mint, butter, salt, lemon

Method: Sauté garlic in butter. Add peas, spinach, mint. Cook 5 mins. Blend smooth. Stir in moringa OFF heat. Serve immediately.

■ **Immunity benefit:** Peas = Vitamin K + protein. Moringa = 7x more Vitamin C than oranges. Spinach = iron.

■ Soup #5 — "Healing Chicken Clear Soup" (Non-veg)

Tastes like: Comforting, mild chicken broth

Hidden boosters: Garlic + Ginger + Turmeric + Black pepper

Ingredients: 1 chicken piece (bone-in), 3 garlic cloves, 1 inch ginger, ¼ tsp turmeric, pinch black pepper, 1 carrot, salt, fresh coriander

Method: Pressure cook everything with 3 cups water for 4 whistles. Strain broth. Shred chicken and add back. All immunity ingredients dissolve into broth.

■ **Immunity benefit:** Bone broth = collagen + minerals. Garlic+Ginger+Turmeric+Black pepper = most powerful natural anti-viral combo in Ayurveda. Give at first signs of cold.
